(和諧之家有限公司)

(incorporated in Hong Kong as a company limited by guarantee)

Directors' Report and Financial Statements For the year ended 31 March 2021

(和諧之家有限公司)

### **DIRECTORS' REPORT**

The directors have pleasure in presenting their annual report together with the audited financial statements of Harmony House Limited (the "Company") for the year ended 31 March 2021.

### PRINCIPAL ACTIVITY

The principal activity of the Company is to provide a rent-free shelter for women and children who are victims of violence. Other activities include community education, crisis intervention, outreaching to schools, counseling and hotlines services.

The shelter premises are provided by the Government of the Hong Kong Special Administrative Region.

### FINANCIAL STATEMENTS

The financial performance of the Company for the year ended 31 March 2021 and the financial position of the Company as at that date are set out in the financial statements on pages 6 to 42.

### **DIRECTORS**

The directors of the Company during the year and up to the date of this report were as follows:

Ms. Wong Hing Chun

Mrs. Koo Au Cheuk Ming Anna

Mrs. Crosbie-Walsh Penny Soh Peng

Prof. Ng Man Lun

Dr. Kam Chak Wah

Ms. Yu Po Kwan

Mr. Leung Hong Shun Alexander

Ms. Chui Chi Yan Daisy

Dr. Chan Tak Mau

(appointed on 19 September 2020)

Dr. Leung Suk Man Grace (resigned on 1 July 2021)

In accordance with Article 43 of the Company's Articles of Association, the following directors retire and being eligible, may offer themselves for re-election for the forthcoming year:

Mrs. Koo Au Cheuk Ming Anna

Mrs. Crosbie-Walsh Penny Soh Peng

Dr. Kam Chak Wah

### **DIRECTORS' REPORT**

### MATERIAL INTERESTS IN TRANSACTIONS, ARRANGEMENTS OR CONTRACTS

No transactions, arrangements or contracts of significance in relation to the Company's business to which the Company was a party and in which a director of the Company or an entity connected with a director is material interested, whether directly or indirectly, subsisted during or at the end of the financial year.

### ARRANGEMENTS TO PURCHASE SHARES OR DEBENTURES

At no time during the year was the Company a party to any arrangements to enable the directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

### **AUDITOR**

A resolution will be proposed at the forthcoming annual general meeting of the Company to re-appoint the auditor, BDO Limited.

On behalf of the directors

Ms. Wong Hing Chun

Director

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HARMONY HOUSE LIMITED (和諧之家有限公司)

(incorporated in Hong Kong as a company limited by guarantee)

### Opinion

We have audited the financial statements of Harmony House Limited (the "Company") set out on pages 6 to 42, which comprise the statement of financial position as at 31 March 2021, and the statement of profit or loss and other comprehensive income, the statement of changes in total funds and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at 31 March 2021 and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

### **Basis for Opinion**

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the HKICPA's "Code of Ethics for Professional Accountants" (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other Information

The directors are responsible for the other information. The other information comprises the information included in the directors' report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HARMONY HOUSE LIMITED

(和諧之家有限公司)

(incorporated in Hong Kong as a company limited by guarantee)

### Directors' Responsibilities for the Financial Statements

The directors of the Company are responsible for the preparation of financial statements that give a true and fair view in accordance with applicable Hong Kong Financial Reporting Standards issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

identify and assess the risks of material misstatement of the financial statements, whether
due to fraud or error, design and perform audit procedures responsive to those risks, and
obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
The risk of not detecting a material misstatement resulting from fraud is higher than for one
resulting from error, as fraud may involve collusion, forgery, intentional omissions,
misrepresentations, or the override of internal control.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF HARMONY HOUSE LIMITED

(和諧之家有限公司)

(incorporated in Hong Kong as a company limited by guarantee)

### Auditor's Responsibilities for the Audit of the Financial Statements - Continued

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 1. **LEGAL STATUS AND OPERATIONS**

Harmony House Limited (the "Company") was incorporated in Hong Kong under the Hong Kong Companies Ordinance ("Company Ordinance") on 2 April 1986 as a Company limited by guarantee.

Under the provisions of the Company's Articles of Association, every member shall, in the event of the Company being wound up, contribute to the assets of the Company to the extent of HK\$100. At the end of reporting period, the Company had ten members.

The Company is a charitable organisation and provides a rent-free shelter for women and children who are victims of violence. Other activities include community education, crisis intervention, outreaching to schools, counseling and hotlines services. Its registered office and principal place of business is at G/F, Wing B, On Wah House, Lok Wah (South) Estate, Kwun Tong, Kowloon, Hong Kong.

### 2. ADOPTION OF HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs")

### (a) Adoption of new/revised HKFRSs - effective 1 May 2020

The HKICPA has issued a number of new or amended HKFRSs that are first effective for the current accounting period of the Company.

Amendments to HKFRS 3

Definition of a business

Amendments to HKAS 1 and Definition of material

HKAS 8

Amendments to HKAS 39.

Interest Rate Benchmark Reform

HKFRS 7 and HKFRS 9

None of these new or amended HKFRSs has a material impact on the Company's results and financial position for the current or prior period. The Company has not early applied any new and amended HKFRSs that is not yet effective for the current accounting period.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 2. ADOPTION OF HONG KONG FINANCIAL REPORTING STANDARDS ("HKFRSs") -Continued

### (b) New/revised HKFRSs that have been issued but are not yet effective

The following new/revised HKFRSs, potentially relevant to the Company's financial statements, have been issued, but are not yet effective and have not been adopted by the Company.

Amendments to HKFRS 16 Amendments to HKAS 16 Annual Improvements to HKFRSs 2018-2020 Cycle Annual Improvements to HKFRSs 2018-2020 Cycle

COVID-19-Related Rent Concessions 1 Proceeds before Intended Use 2 Amendments to HKFRS 9, Financial Instruments 2

Amendments to HKFRS 16, Leases 2

Amendments to HKAS 1

Classification of Liabilities as Current or

Non-current 3

HK Interpretation 5 (2020)

Presentation of Financial Statements ~ Classification by the Borrower of a Term Loan that Contains a Repayment on Demand Clause 3

Annual Improvements to HKFRSs 2018-2020<sup>2</sup>

The Company is in the process of making an assessment of the potential impact of these new/revised HKFRSs and the directors so far concluded that the application of these new/revised HKFRSs will have no material impact on the Company's financial statements.

### 3. **BASIS OF PREPARATION**

### (a) Statement of compliance

The financial statements have been prepared in accordance with all applicable HKFRSs, Hong Kong Accounting Standards ("HKASs") and Interpretations (hereinafter collectively referred to as the "HKFRSs") and the provisions of the Hong Kong Companies Ordinance which concerning the preparation of financial statements.

 $<sup>^{</sup>m 1}$  Effective for annual periods beginning on or after 1 January 2020

<sup>&</sup>lt;sup>2</sup> Effective for annual periods beginning on or after 1 January 2022

<sup>&</sup>lt;sup>3</sup> Effective for annual periods beginning on or after 1 January 2023

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### **BASIS OF PREPARATION - Continued** 3.

### Basis of measurement (b)

The financial statements have been prepared under the historical cost basis.

### Functional and presentation currency (c)

The financial statements are presented in Hong Kong dollars ("HK\$") which is the functional currency of the Company.

### SIGNIFICANT ACCOUNTING POLICIES 4.

### Property, plant and equipment (a)

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The cost of property, plant and equipment includes its purchase price and the costs directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are recognised as an expenses in profit or loss during the financial period in which they are incurred.

Property, plant and equipment are depreciated so as to write off their cost net of expected residual value over their estimated useful lives on a straight-line basis. The useful lives, residual value and depreciation method are reviewed, and adjusted if appropriate, at the end of each reporting period. The useful lives are as follows:

4 years Motor vehicle 4 years Furniture and equipment

Over the remaining life of the leases but not Leasehold improvements exceeding 5 years

An asset is written down immediately to its recoverable amount if its carrying amount is higher than the asset's estimated recoverable amount.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (a) Property, plant and equipment - Continued

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets, or where shorter, the term of the relevant lease.

The gain or loss on disposal of an item of property, plant and equipment is the difference between the net sale proceeds and its carrying amount, and is recognised in profit or loss on disposal.

Capital grants and donations received for the purchase of property, plant and equipment are recorded as deferred income in the statement of financial position and amortised in profit or loss over the useful life of the relevant assets.

### (b) Leases

All leases are required to be capitalised in the statement of financial position as right-of-use assets and lease liabilities, but accounting policy choices exist for an entity to choose not to capitalise (i) leases which are short-term leases and/or (ii) leases for which the underlying asset is of low value. The Company has elected not to recognise right-of-use assets and lease liabilities for low value assets and leases for which at the commencement date have a lease term less than 12 months. The lease payments associated with those leases have been expensed on straight-line basis over the lease term.

### Right-of-use asset

The right-of-use asset should be recognised at cost and would comprise:

- (i) the amount of the initial measurement of the lease liability (see below for the accounting policy to account for lease liability);
- (ii) any lease payments made at or before the commencement date, less any lease incentives received;
- (iii) any initial direct costs incurred by the lessee; and
- (iv) an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (b) Leases - Continued

### Right-of-use asset - Continued

Under the cost model, the Company measures the right-to-use at cost, less any accumulated depreciation and any impairment losses, and adjusted for any remeasurement of lease liability.

The right-of-use asset arising from the properties under tenancy agreements are carried at depreciated cost.

### Lease liability

The lease liability is recognised at the present value of the lease payments that are not paid at the date of commencement of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses the Company's incremental borrowing rate.

The following payments for the right-to-use the underlying asset during the lease term that are not paid at the commencement date of the lease are considered to be lease payments:

- (i) fixed payments less any lease incentives receivable;
- (ii) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at commencement date;
- (iii) amounts expected to be payable by the lessee under residual value guarantees;
- (iv) the exercise price of a purchase option if the lessee is reasonably certain to exercise that option; and
- (v) payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease.

Subsequent to the commencement date, the Company measures the lease liability by:

- (i) increasing the carrying amount to reflect interest on the lease liability;
- (ii) reducing the carrying amount to reflect the lease payments made; and
- (iii) remeasuring the carrying amount to reflect any reassessment or lease modifications, or to reflect revised in-substance fixed lease payments.

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (b) Leases - Continued

### Lease liability - Continued

When the Company revises its estimate of the term of any lease (because, for example, it re-assesses the probability of a lessee extension or termination option being exercised), it adjusts the carrying amount of the lease liability to reflect the payments to make over the revised term, which are discounted using a revised discount rate. The carrying value of lease liabilities is similarly revised when the variable element of future lease payments dependent on a rate or index is revised, except the discount rate remains unchanged. In both cases, an equivalent adjustment is made to the carrying value of the right-of-use asset, with the revised carrying amount being amortised over the remaining (revised) lease term. If the carrying amount of the right-of-use asset is adjusted to zero, any further reduction is recognised in profit or loss.

When the Company renegotiates the contractual terms of a lease with the lessor, if the renegotiation results in one or more additional assets being leased for an amount commensurate with the standalone price for the additional rights-of-use obtained, the modification is accounted for as a separate lease, in all other cases, where the renegotiated increases the scope of the lease (whether that is an extension to the lease term, or one or more additional assets being leased), the lease liability is remeasured using the discount rate applicable on the modification date, with the right-of-use asset being adjusted by the same amount. If the renegotiation results in a decrease in the scope of the lease, both the carrying amount of the lease liability and right-of-use asset are reduced by the same proportion to reflect the partial or full termination of the lease with any difference recognised in profit or loss. The lease liability is then further adjusted to ensure its carrying amount reflects the amount of the renegotiated payments over the renegotiated term, with the modified lease payments discounted at the rate applicable on the modification date and the right-of-use asset is adjusted by the same amount.

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (c) Financial Instruments

### (i) Financial assets

A financial asset (unless it is a trade receivable without a significant financing component) is initially measured at fair value plus, for an item not at fair value through profit or loss ("FVTPL"), transaction costs that are directly attributable to its acquisition or issue. A trade receivable without a significant financing component is initially measured at the transaction price.

All regular way purchases and sales of financial assets are recognised on the trade date, that is, the date that the Company commits to purchase or sell the asset. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the market place.

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments as amortised cost.

Assets measured at amortised cost that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets at amortised cost are subsequently measured using the effective interest rate method. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain on derecognition is recognised in profit or loss.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (c) Financial Instruments - Continued

### (ii) Impairment loss on financial assets

The Company recognises loss allowances for expected credit loss ("ECL") on trade receivables, contract assets, financial assets measured at amortised cost and debt investments measured at FVOCI. The ECLs are measured on either of the following bases: (1) 12 months ECLs: these are the ECLs that result from possible default events within the 12 months after the reporting date; and (2) lifetime ECLs: these are ECLs that result from all possible default events over the expected life of a financial instrument. The maximum period considered when estimating ECLs is the maximum contractual period over which the Company is exposed to credit risk.

ECLs are a probability-weighted estimate of credit losses. Credit losses are measured as the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the assets' original effective interest rate.

The ECLs are based on the 12-months ECLs. However, when there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECLs.

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECL, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information analysis, based on the Company's historical experience and informed credit assessment and including forward-looking information.

The Company assumes that the credit risk on a financial asset has increased significantly if it is more than 30 days past due.

The Company considers a financial asset to be credit-impaired when: (1) the borrower is unlikely to pay its credit obligations to the Company in full, without recourse by the Company to actions such as realising security (if any is held); or (2) the financial asset is more than 90 days past due.

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (c) Financial Instruments - Continued

### (ii) Impairment loss on financial assets - Continued

Interest income on credit-impaired financial assets is calculated based on the amortised cost (i.e. the gross carrying amount less loss allowance) of the financial asset. For non-credit-impaired financial assets interest income is calculated based on the gross carrying amount.

### (iii) Financial liabilities

The Company classifies its financial liabilities, depending on the purpose for which the liabilities were incurred. The Company classifies its financial liabilities as financial liabilities at amortised cost.

Financial liabilities at amortised cost including trade and other payables and other short-term monetary liabilities. They initially measured at fair value, net of directly attributable costs incurred, and are subsequently measured at amortised cost, using the effective interest method. The related interest expense is recognised in profit or loss.

Gains or losses are recognised in profit or loss when the liabilities are derecognised as well as through the amortisation process.

### (iv) Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial asset or financial liability and of allocating interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments through the expected life of the financial asset or liability, or where appropriate, a shorter period.

### (v) Equity instruments

Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (c) Financial Instruments - Continued

### (vi) Derecognition

The Company derecognises a financial asset when the contractual rights to the future cash flows in relation to the financial asset expire or when the financial asset has been transferred and the transfer meets the criteria for derecognition in accordance with HKFRS 9.

Financial liabilities are derecognised when the obligation specified in the relevant contract is discharged, cancelled or expires.

### (d) Revenue recognition

Grants received for the purchase of property, plant and equipment, which are recorded as deferred income in the statement of financial position and amortised over the useful life of the asset.

Subvention from Social Welfare Department and allocations and grants from other charitable organisations are recognised in accordance with the approved applications.

Donations for specific purposes are recognised in accordance with the approved applications.

Interest income is accrued on a time basis on the principal outstanding at the applicable interest rate.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (e) Employee benefits

### (i) Short term employee benefits

Short term employee benefits are employee benefits (other than termination benefits) that are expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related service. Short term employee benefits are recognised in the year when the employees render the related service.

### (ii) Defined contribution retirement plan

Contributions to defined contribution retirement plans are recognised as an expense in profit or loss when the services are rendered by the employees.

### (iii) Termination benefits

Termination benefits are recognised on the earlier of when the Company can no longer withdraw the offer of those benefits and when the Company recognises restructuring costs involving the payment of termination benefits.

### (f) Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss or an impairment loss previously recognised no longer exists or may have decreased.

If the recoverable amount (i.e. the greater of the fair value less costs to sell and value in use) of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised as an expense immediately, unless the relevant asset is carried at a revalued amount under another HKFRS, in which case the impairment loss is treated as a revaluation decrease under that HKFRS.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (f) Impairment of non-financial assets - Continued

At the end of each reporting period, the Company reviews the carrying amounts of property, plant and equipment to determine whether there is any indication that those assets have suffered an impairment loss or an impairment loss previously recognised no longer exists or may have decreased.

If the recoverable amount (i.e. the greater of the fair value less costs to sell and value in use) of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss is recognised as an expense immediately, unless the relevant asset is carried at a revalued amount under another HKFRS, in which case the impairment loss is treated as a revaluation decrease under that HKFRS.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised as income immediately, unless the relevant asset is carried at a revalued amount under another HKFRS, in which case the reversal of the impairment loss is treated as a revaluation increase under that HKFRS.

### (g) Related parties

- (a) A person or a close member of that person's family is related to the Company if that person:
  - (i) has control or joint control over the Company;
  - (ii) has significant influence over the Company; or
  - (iii) is a member of key management personnel of the Company.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (g) Related parties - Continued

- (b) An entity is related to the Company if any of the following conditions apply:
  - (i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
  - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
  - (iii) both entities are joint ventures of the same third party.
  - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity.
  - (v) the entity is a post-employment benefit plan for the benefit of the employees of the Company or an entity related to the Company.
  - (vi) the entity is controlled or jointly controlled by a person identified in (a).
  - (vii) a person identified in (a)(i) has significant influence over the entity or is a member of key management personnel of the entity.
  - (viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Group or to the Group's parent.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity and include:

- (i) that person's children and spouse or domestic partner;
- (ii) children of that person's spouse or domestic partner; and
- (iii) dependents of that person or that person's spouse or domestic partner.

(和諧之家有限公司)

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 4. SIGNIFICANT ACCOUNTING POLICIES - Continued

### (h) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Company has a legal or constructive obligation arising as a result of a past event, which will probably result in an outflow of economic benefits that can be reasonably estimated.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, the existence of which will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

### 5. NET DEFICIT FOR THE YEAR

Net deficit for the year is stated after charging:

		2021 HK\$	2020 HK\$

### NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2021

### 26. FINANCIAL RISK MANAGEMENT

The Company is exposed through its operations to the following risks from its use of financial instruments:

- Interest rate risk
- Liquidity risk
- Credit risk

The policy of each of the above risks is described in more detail below:

### (a) Interest rate risk

The Company is not exposed to material interest rate risk as it does not have material interest bearing financial instrument at the end of reporting period.

### (b) Liquidity risk

The Company's policy is to regularly monitor current and expected liquidity requirements to ensure that it maintains sufficient reserves of cash to meet its liquidity requirements in the short and longer term. In the opinion of the directors, the Company does not have significant liquidity risk exposure. The contractual maturities of all financial liabilities of HK\$14,310,955 (2020: HK\$11,931,017) are due in less than one year.

### (c) Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is exposed to credit risk from other receivables and bank balances.

The Company's outstanding other receivable do not have a significant increase in credit risk since initial recognition and risk of default is insignificant, therefore the ECL for these financial assets were based on 12-months ECL. The Company takes into account the historical credit loss experience, adjusted for forwarding-looking factors and the economic environment, as appropriate, and concludes that ECLs are insignificant.

The credit risk on liquid funds is limited because the counterparties are banks with high credit rating assigned by international credit rating agencies.

### 27. APPROVAL OF FINANCIAL STATEMENTS

The financial statements were approved and authorised for issue by the directors on 24 September 2021.
