Are you experiencing domestic violence?

Think...

whether you have experienced or are
experiencing the following situations:

1

Your partner or family member directly or indirectly harms your body?

2

Your partner or family member yells at you or insults you?

3

Your partner or family member threatens to hurt you/your children/your pets?

4

Your partner or family member limits your social life by controlling your finance?

5

Your partner or family member controls your daily life, demands to know all your movements and even stalking you?

6

Your partner or family member forces you to have sex?

If you have encountered any of the above situations,
you may be facing domestic violence and should seek
help immediately.

Experiencing domestic violence,
pluck up the courage and seek help.
