Harmony House was established in 1985 as the first shelter for disabled women and their children in Hong Kong. Today, we have developed into a one-stop anti-domestic violence service agency, with a wide range of preventive, therapeutic, and developmental programmes to help families affected by domestic violence, their relatives, and communities. Hong Kong. To help victims of violence, their families, and their communities to multi-disciplinary professionals and advocacy for policies and legislations on behalf of victims of violence, their families, and their communities.

Harmony House is the first domestic violence centre in Hong Kong to offer comprehensive services, including prevention, therapeutic, and developmental programmes. It also provides advocacy for policies and legislations on behalf of victims of violence, their families, and their communities.
